OF EMPLOYMENT SECURITY**

TITLE 20, PART 101 OF THE MISSISSIPPI ADMINISTRATIVE CODE

REGULATIONS OF THE MISSISSIPPI DEPARTMENT OF EMPLOYMENT SECURITY

TITLE 20, PART 101 OF THE MISSISSIPPI ADMINISTRATIVE CODE

INTRODUCTION

The Mississippi Department of Employment Security (hereafter MDES) is a state agency whose primary function is to promote employment security by helping individuals find jobs and obtain necessary vocational guidance, training, and retraining. An important adjunct duty of MDES is to collect unemployment insurance taxes from employers, administer the Unemployment Insurance Benefit Trust Fund, and distribute unemployment insurance benefits to individuals who, through no fault of their own, are temporarily unemployed. This system helps to stabilize Mississippi during times of economic insecurity caused by involuntary unemployment, while at the same time providing long term benefits to the state by creating a highly trained, versatile, and overall more successful workforce.

The law that governs the duties and responsibilities of MDES is known as the “Mississippi Employment Security Law,” and is set forth in Sections 71-5-1 to 71-5-541 of the Mississippi Code Annotated. From these statutes, MDES is given the power to adopt, amend, or rescind such rules and regulations as it deems necessary to administer and interpret the Mississippi Employment Security Law. Thus, the following regulations are promulgated in furtherance of this power. They are set forth into the following sections: **Benefit Payment Regulations, Tax Regulations, Benefit Payment Control Regulations, and Benefit Appeal Regulations.**

For purposes of these regulations, the following terms and definitions shall apply:

References to the word “**Agency**” shall mean the Mississippi Department of Employment Security.

References to the word “**Law**” shall mean the “Mississippi Employment Security Law,” which is the law that governs the duties and powers of the Mississippi Department of Employment Security. (Sections 71-5-1 to 71-5-541 of the Mississippi Code Annotated)

“**ALJ**” stands for Administrative Law Judge. The ALJ is the MDES official who presides over unemployment benefit and tax rate appeals.

“**WIN Job Center**” stands for Workforce Investment Network Job Center. A WIN Job Center is an office that provides convenient, one-stop employment and training services to employers and job seekers. The center combines federal, state, and community workforce programs. These centers are found throughout the state.

Any reference to the word “**Department**” shall mean the Mississippi Department of Employment Security.

CHAPTER 200 - BENEFIT APPEAL REGULATIONS

200.0 Administrative Law Judge Defined

- (A) For purposes of the Law, a referee shall be an Administrative Law Judge (ALJ) as used throughout the following Regulations.
- (B) Pursuant to and as provided by the Employment Security Act, appealed claims shall be heard and decided by an ALJ.
- (C) Pursuant to and as provided by the Law, appeals of ALJ's decisions shall be heard and decided by the Board of Review.

200.01 Filing an Appeal

- (A) Time for Filing: Pursuant to Sections 71-5-517 and 71-5-519 of the Law, an interested party must file an appeal for an initial or amended determination within fourteen (14) days of the date the determination was mailed to the last known address. If the last day to appeal falls on a Saturday, Sunday, or other legal holiday, or day in which the Agency is closed for business, then the time allowed to appeal shall run until the end of the next business day.
- (B) Method of Filing: Appeals shall be filed using methods and procedures the Agency has established. Those methods prescribed by the Agency and new methods that may develop with technological advances and specifically include the following:
 - (1) delivery by the United States Postal Services to the address provided on the determination or decision being appealed;
 - (2) faxing to the number provided in the determination or decision being appealed;
 - (3) in-person at any WIN Job Center;
 - (4) electronically at the address provided in the determination or decision being appealed; or
 - (5) telephonically by calling the number provided on the determination or decision being appealed.

200.02 Scheduling of Hearings before the Appeals Department

- (A) Telephone Hearings: Filed appeals will be set for a hearing to be conducted using a telephone conferencing system, unless a request for a Video Conference or In-person Hearing is made and the Department determines it necessary.
 - (1) In-person Factors: Factors that will be considered prior to granting a request for a Video Conference or In-person Hearing include, but are not limited to, the timeliness of the request, the location of the hearing if held in-person, cost factors for the Agency and the parties, the number of witnesses and/or exhibits to

be introduced, credibility issues, sense related issues (i.e. visual appearance), interpreter issues, and any clear and present safety concerns.

- (2) Scheduling of a Hearing: Within fifteen (15) days of the receipt of an appeal (barring extraordinary circumstances) the Appeals Department of the Agency (the “Appeals Department”), shall schedule the appeal for a hearing before an ALJ. At least seven (7) days prior to the scheduled hearing date, a Notice of Hearing shall be sent by regular mail or electronically to the parties interested in the determination being appealed.
- (3) Contents of the Notice of Hearing:
 - (a) A statement of the legal authority and jurisdiction under which the proceeding is being conducted;
 - (b) A reference to the applicable statutes and rules;
 - (c) A statement of the issues to be decided;
 - (d) A statement of the time (and if in person the place) of the hearing;
 - (e) A phone number that the parties must call the day before and leave their phone contact number for the time of the hearing.
- (B) Consolidation: If the Agency determines that a number of appeals cases are similar in facts and circumstances, the Agency has the discretion to consolidate the cases. The Agency shall advise the parties to select from their members an individual to act as representative for their side (a claimants’ representative and an employers’ representative).
- (C) Exhibits: A party desiring to offer exhibits as evidence shall provide copies to the Appeals Department and the opposing party which must be post marked, faxed, hand-delivered, or sent by electronic delivery, no less than three (3) days prior to the hearing unless approval for a later date is requested and granted for good cause.
 - (1) Information submitted to the Agency is **not** part of the appeals record unless discussed at the hearing and entered in the record. See Section 200.04 (D), Page 11 of these regulations for more on exhibits, evidence, and the record.
- (D) Continuances: A request for a continuance must be made no later than three (3) days prior to the scheduled date of the hearing. A request for a continuance must include reasons that constitute good cause for granting the continuance. The need to attend to other business does not constitute good cause. A request for continuance does not grant a stay of the scheduled hearing. The Appeals Department must affirmatively grant the request or the hearing remains as scheduled. In determining whether there is good cause to grant a continuance, the following factors will be considered:

- (1) The amount of time between the receipt of the Notice of Hearing and the request for continuance;
- (2) What actions the party requesting the continuance has taken to attend the hearing;
- (3) Whether the request for continuance is due to illness or incapacity;
- (4) Whether granting the continuance would result in a decision being issued over thirty (30) days after the appeal was filed; and
- (5) To the extent the reason is the unavailability of counsel and whether there are other attorneys in the firm that may represent the requesting party.

200.03

Disqualification Duties; Reports; Conflicts of Interest:

- (A) An Administrative Law Judge (ALJ) or Board of Review Member (Board Member) may not participate in the hearing of an appeal in which they have an interest. Challenges to the interest of an ALJ or Board Member who refuses to recuse themselves may be heard and decided by the Chairman of the Board of Review.
- (B) Whenever an ALJ is disqualified or it becomes impracticable for the ALJ to continue the hearing, another ALJ may continue with the hearing. If it is shown that substantial prejudice to any party will result, the new ALJ shall start the hearing over with a blank record. Whenever a Board Member is disqualified or it becomes impracticable for the Board Member to continue the hearing review, the remaining Board Members may continue with the review. If it is shown that substantial prejudice to any party will result, the remaining Board of Review members shall disregard prior discussions and start the hearing review over.
- (C) Ex parte Communications: An ex parte communication is an off-the-record communication between a presiding ALJ or Board Member and one party to the appeal without the other party's presence. This practice is generally not acceptable. Further, the ALJ and the Board of Review shall maintain independent decision making from one another.
 - (1) In any adjudicatory proceeding, no Board Member or ALJ authorized to take final action or to make findings of fact and conclusions of law shall communicate directly or indirectly in connection with any issue of fact, law, or procedure, with any party or other persons legally interested in the proceeding, except with proper notice and opportunity for all parties to participate.
 - (2) This subsection does not prohibit Board Members from:
 - (a) Communicating in any respect with other Board Members; or
 - (b) Having the aid and advice of their own staff, counsel or consultants retained by the Board of Review who have not

participated and will not participate in the Board of Review proceeding in an advocate capacity.

- (3) This subsection does not prohibit any ALJ from:
 - (a) Communicating in any respect with other members of the Appeals Department; or
 - (b) Having the aid or advice of those members of her own staff, counsel or consultants retained by the Appeals Department who have not participated and will not participate in the Appeals Department proceeding in an advocate capacity.

200.04

Conduct of Hearings

- (A) The ALJ's duties are to:
 - (1) preside over and control the hearing;
 - (2) maintain the official timepiece of the hearing;
 - (3) administer oaths and affirmations;
 - (4) rule on the admissibility of evidence;
 - (5) set the time and place for continued hearings;
 - (6) when warranted, fix the time for filing evidence, briefs, and other written submissions; and
 - (7) take other actions authorized by the Law and these Regulations.
- (B) Every interested party shall have the right to present evidence and arguments on all relevant and noticed issues during the course of a hearing. This shall be done through the opportunity to testify, call and question witnesses, question or cross examine the other party and their witnesses that testify, present exhibits, and object to the other party's exhibits.
- (C) The parties to an appeal, with the consent of the ALJ, may stipulate to facts involved in writing or on the record. The ALJ may decide the appeal on the basis of the stipulated facts or, in their discretion, may proceed with a hearing and take such further evidence as they deem necessary to determine the facts and proper decision.
- (D) Evidence (Testimony and Exhibits):
 - (1) Hearsay evidence may be admitted and weighed accordingly. Generally, evidence will only be admitted and/or given weight if:
 - a. it meets a hearsay exception, or
 - b. is from a source normally considered reliable, or
 - c. is corroborated by other witnesses, or

- d. the ALJ otherwise determines that, in his or her opinion, the hearsay may be relied upon considering all of the facts and circumstances.
 - (2) All testimony shall be under oath. The ALJ shall administer an oath to all witnesses before they testify in a proceeding.
 - (3) Exhibits to be offered into evidence at the hearing must be submitted as described in 200.02 (D) above. A party or witness must explain what the exhibits are, and then must request the exhibits be entered as evidence. Prior to entering exhibits into the record as evidence, the ALJ will give the other party an opportunity to object to the admission. The ALJ will then decide whether or not to enter the exhibits in as evidence.
 - (4) Parties should submit all relevant documents prior to the hearing date in accordance with 200.02(D). Further, parties should bring individuals with first-hand knowledge of facts and events regarding the issues to the hearing as witnesses.
 - (5) When the decision is made, the ALJ will consider only the evidence entered into the record during the hearing, or evidence from which judicial notice is taken.
 - (6) The ALJ and the Board of Review may take judicial notice of evidence, including Agency generated documents and forms, which shall then become record evidence. Judicial notice for purposes of these regulations is defined as: (a) that which is commonly known or accepted; (b) that which is accepted as an authority on a matter especially of a scientific or technical nature; (c) that which is generated by a Court, Agency or other government body; or (d) that which is the best evidence available to prove or disprove a fact in the case; and (e) such evidence is admissible without being formerly explained and offered by a party.
 - (7) Facts entered through judicial notice will be indicated as such in the record and/or the decision.
 - (8) If an appeal is made to the Board of Review, only testimony and exhibits entered into evidence at the hearing, or otherwise submitted by the ALJ with the appeal, will be included in the appeals record forwarded to the Board of Review. Only the record transcript and exhibits before the Board of Review will be submitted to the Courts, including additional evidence, exhibits, and testimony taken by the Board.
- (E) Sequestration of Witnesses.
- All witnesses present, not including any interested party or their designated representative, who has not yet testified in the proceeding before the Board of Review or Appeals Department, may be sequestered at

the request of a party or the discretion of the ALJ or Board of Review. Witnesses who have testified, but who may be recalled to testify further may also be sequestered at the request of any party or upon the initiative of the Board of Review or the ALJ.

(F) Subpoenas.

- (1) Subpoenas to compel the attendance of witnesses and the production of records for a hearing of an appeal may be issued by a member of the Board of Review or by the ALJ before whom the hearing is scheduled. A subpoena will only be issued if a request showing the necessity for the issuance of the subpoena is made in writing and the ALJ or Board of Review deems it necessary.
- (2) Witnesses subpoenaed for hearings before an ALJ or the Board of Review shall be paid a daily witness fee amount, as well as a mileage per diem for in-person hearings according to the rates provided in Section 25-3-41 of the Law.
- (3) No witness fee shall be allowed a witness who does not appear at the hearing when called or who is disqualified from testifying. No witness fees or mileage will be paid unless the ALJ or the Chairman of the Board of Review before whom the witness was called to testify certifies the attendance of the witness and the amount of witness fee to which she is entitled. One copy of such witness certificate shall be given to the witness, one transmitted to the Agency, and one copy preserved in the file of the case.

(G) Record: A record shall be kept of the proceedings, which shall include the following:

- (1) All applications, pleadings, motions, preliminary and interlocutory rulings, and orders;
- (2) Evidence received or considered;
- (3) A statement of facts officially noticed;
- (4) Offers of proof, objections, and rulings thereon; and
- (5) Proposed findings and exceptions, if any;
- (6) The decision of the Board of Review and the Appeals Department

The record does not include documents submitted to the Agency prior to an appeal being filed that are not either resubmitted after the appeal is filed or discussed during the hearing.

(H) Other recordings: In order to assure the confidentiality of hearings before an ALJ, no party or participant at a hearing shall be permitted to record such hearing by any means, and the recording made by the ALJ shall be the official record of the proceeding. This prohibition is pursuant to the provisions of Sections 71-5-127 and 71-5-525 of the Law.

- (J) Dismissal Due To Behavior. In the event any party or party's representative during a hearing conducts themselves in a manner determined by the ALJ to be disrespectful, and who, after having been warned once to stop, fails to stop, shall be dismissed from the hearing. If, in the ALJ's opinion, justice requires that the party be granted a continuance to obtain another representative, then it shall be granted.

200.05 Disposition without full hearing

- (A) The Board of Review or the Appeals Department may make informal disposition of any adjudicatory proceeding by default when the appealing party or the party with the burden of proof fails to appear at the scheduled hearing. A party shall be deemed to have failed to timely appear at a hearing when the party fails to appear as provided in the notice of hearing, including calling an Appeals Department telephone number or providing in advance a telephone number as required by the notice of hearing, or by failing to be present at the telephone number provided by the party for ten (10) or more minutes past the scheduled start time of the hearing.
- (B) Any such default may be set-aside by the Board of Review or Appeals Department for good cause shown. The procedure for good cause hearings is as follows:
 - (1) No later than fourteen (14) days after the date of the postal or electronic mailing of the decision, upon written request setting forth the reasons for failing to appear, the Appeals Department may provide a good cause hearing to a party that failed to appear at the hearing. If the Appeals Department determines that good cause exists, it will conduct a hearing on the underlying substantive issues. Similarly, upon written request setting forth the reasons for failing to appear at a hearing, the Board of Review may provide a good cause hearing to the appealing party. A hearing on the underlying substantive issues shall be conducted only if the Board of Review determines that good cause exists.
 - (2) If it is decided that a party did not have good cause for nonappearance, no evidence will be taken on the substantive issues, and the decision previously made will remain unaffected and in force.

200.06 Decisions

- (A) Every decision of the Board of Review and Appeals Department shall be in writing and shall include findings of fact sufficient to inform the parties of the basis for the conclusions of law and the decision. Findings of fact must be supported by substantial evidence in the record.
- (B) A copy of the decision shall be promptly mailed via U.S. Mail or electronically to each party to the proceeding and their representative of record. Written notice of the party's rights to appeal to the Board of

Review or the courts, and the time within which such action must be taken, shall be given to each party with the decision.

- (C) The following statement shall appear on the ALJ's decision: **"If an appeal is taken to the Board of Review, such appeal will be considered on the record previously made, and no hearing before the Board will be scheduled."**
- (D) The Board of Review shall maintain a record of the vote of each member of the Board of Review with respect to the Board of Review decision. If a decision of the Board of Review is not unanimous, the decision of the majority shall control. The minority may file a dissent from such decision setting forth the reasons why it fails to agree with the majority.

201.00 Appeals Pending Before Administrative Law Judge and Removed to Board of Review

- (A) The Chairman of the Board of Review may remove to the Board of Review the proceedings on any claim pending before an ALJ.
- (B) Any appeal removed to the Board of Review shall be presented, heard, and decided by the Board of Review in the manner prescribed by the Law and in the preceding and following Regulations.

202.00 Appeals From Decisions Of Administrative Law Judges To The Board Of Review

Any interested party to a decision of an ALJ, adversely affected by the decision, shall have the right to appeal to the Board of Review.

202.01 Method of Review

- (A) The Board of Review may affirm, modify, reverse, or set aside any ALJ decision based on the record previously made by the ALJ. All appeals to the Board of Review shall be heard upon the evidence in the record previously made. The Board of Review, at its discretion, may also consider written arguments or briefs filed by any of the parties.
- (B) The Board of Review, in its discretion, may remand any claim that is before it to an ALJ for the taking of such additional evidence as the Board of Review may deem necessary. Such testimony shall be taken by the ALJ in the manner prescribed for the conduct of hearings on appeal before the ALJ. Upon the completion of the taking of evidence by an ALJ, pursuant to the direction of the Board of Review, the record of such evidence shall be returned to the Board of Review for a decision. Alternatively, the ALJ may be instructed to issue a decision and in that case, a right of appeal to the Board of Review shall be provided to the parties.

202.02 Appeals by Board of Review of its Own Motion

- (A) Within fourteen (14) days following a decision issued by an ALJ, and in the absence of filing of a notice of appeal by any of the parties, the Board of Review, on its own motion, may order the parties to appear before it for a hearing on the claim or any issue involved.
- (B) Such hearing shall be held only after ten (10) days prior notice to the parties, and shall be heard in the manner prescribed for the hearing of appeals from the decision of the ALJ.

202.03 Board of Review Decision

Any decision of the Board of Review shall become final ten (10) days after the regular U.S. Mail mailing date or electronic transmittal date of the notification. No request by any party for reconsideration by the Board of its decision, made by a standard review of an ALJ's hearing record, shall be considered by the Board.

However, in any case in which the Board of Review conducts a hearing and receives additional evidence, testimony, or hears argument on the issues, any party not present or represented at such a hearing may, not later than ten (10) days after the date of notification of the Board's decision, file with the Board a written request to set aside such decision and reopen the case for further hearings.

Such request shall state the reasons for the party's failure to appear and if the Board of Review determines that the party has made a showing of good cause for his or her failure to appear, it shall reschedule the case for further hearing and its final decision.

202.04 Appeals to Courts

Within ten (10) days after the decision of the Board of Review has become final (see 202.3), any party who is aggrieved thereby may appeal an action in the Circuit Court of the County in which they reside against the Agency for a review of such decision. The Agency is also authorized to appeal decisions of the Board of Review involving questions of interpretation of the Law. The Agency will provide notice to the parties to the decision, and such an appeal shall not have the effect of denying benefits to any claimant who has been awarded benefits by virtue of the decision of the Board of Review from which the appeal is taken.

All such requests shall state the nature of the information desired. Such compliance may include the furnishing of a copy of the record on appeal to a

party, which will generally be a recorded copy of the hearing.

CHAPTER 300 - BENEFIT REGULATIONS

300.00 Filing Initial, Additional and Reopened Claims

The effective date of an initial claim will be the Sunday preceding the date on which the individual files a claim for benefits by any method provided by the Agency. If the claim is filed on a Sunday, then the claim will be effective on the Sunday it is filed.

If the Agency determines that an individual filed their initial claim at the first available opportunity, the effective date of the claim will be the Sunday prior to the date they became unemployed.

An initial claim for benefits may be backdated to the Sunday preceding the date the individual became unemployed provided good cause is established, and the individual reports within seven (7) calendar days of the date the first opportunity was afforded by the Agency.

Good cause will be defined as circumstances beyond the control of the person. For the purposes of this paragraph, the first day of unemployment for an individual whose unemployment begins on Saturday or Sunday shall be the following Monday.

In case of a catastrophic occurrence, the Agency will have the authority to waive the time afforded the applicant to file a claim.

301.00 Reconsideration of Initial Determination

An initial determination may for good cause be reconsidered if the request is filed within fourteen (14) days from the date such notification was mailed to an individual's last known address. The Agency has the discretionary authority to consider untimely filed requests made under this regulation if it can be shown there are compelling circumstances which justify a reconsideration such as fraud, misconception of facts or any other reason the Agency deems compelling.

302.00 Filing Mass Lay-off Initial Claims

Initial claims for benefits for individuals may be filed in groups for a layoff from the same employer for the same time period of unemployment. 303.00 Filing Weekly Certifications for Benefits

A claim for waiting period credit or benefits must be filed by the Friday following the week being claimed, using methods prescribed by the Agency. An exception

to this rule can be considered if the individual files their claim within fourteen (14) days of the week being filed, provided no availability issue exists.

If an individual is in a claim series and makes no attempt to file a continued claim for three (3) or more consecutive weeks, no claim for benefits will be allowed until the claim is reopened. A reopened claim is an additional claim without interim employment with a new effective date. The effective date of the reopened claim will be the Sunday prior to the date in which the individual attempted to file another claim.

The Agency will have the authority to deny benefits or waiting period credit for any week which is not properly filed within set guidelines.

 4. Carelessness or negligence of such degree or recurrence as to demonstrate wrongful intent.

However, mere inefficiency, unsatisfactory conduct, failure to perform as the result of inability or incapacity, a good faith error in judgment or discretion, or conduct mandated by a religious belief or the law is not misconduct. Conduct mandated by the law does not include court ordered conduct resulting from claimant's illegal activity; this may be considered misconduct

- (1) the policy of the temporary agency;
- (2) the reasonableness of the policy;
- (3) the actions of the temporary agency; and
- (4) the actions of the temporary employee.

Upon the completion of an assignment, if the temporary employee contacts the temporary employer and is given a new job assignment, the Agency may examine the suitability of the new assignment under Section 71-5-513 (A)(3)(a) of the Law.

Regulations 318.01 through 318.07 shall govern the Agency in its administrative cooperation with other states adopting similar regulations for the payment of benefits to interstate claimants.

318.01 Definitions

As used in this Regulation, unless the context clearly requires otherwise:

- (A) Interstate Benefit Payment Plan means the plan approved by the Interstate Conference of Employment Security Agencies under which benefits shall be payable to unemployed individuals absent from the state (or states) in which benefit credits have been accumulated.
- (B) Interstate claimant means an individual who claims benefits under the unemployment insurance law of one or more liable states, through the facilities of an agent state. The term "interstate claimant" shall not include any individual who customarily commutes from a residence in an agent state to work in a liable state unless the Agency finds that this exclusion would create undue hardship on such claimant in specified areas.
- (C) State includes the District of Columbia, Puerto Rico, and the Virgin Islands.
- (D) Agent State means any state in which an individual files a claim for benefits from another state.
- (E) Liable State means any state against which an individual files a claim for benefits through another state.
- (F) Benefits mean the compensation payable to an individual, with respect to their unemployment under the unemployment insurance law of any state.
- (G) Week of Unemployment includes any week of unemployment as defined in the Law of the liable state from which benefits with respect to such week are claimed.

318.02 Registration for work

- (A) Each interstate claimant shall be registered for work, through any public employment office in the agent state as required by the Law, regulations, and procedures of the agent state. Such registration shall be accepted as meeting the registration requirements of the liable state provided Mississippi is the liable state and such requirements are not contrary to the provisions of the Mississippi Employment Security Law.
- (B) Each agent state shall duly report to the liable state, whether each interstate claimant meets the registration requirements of the agent state.

318.03 Benefit Rights for Interstate Claimants

If a claimant files a claim against a state, and it is determined by such state that the claimant has available benefit credits in such state, then claims shall be filed only against such state as long as benefit credits are available in that state. Thereafter, the claimant may file claims against any other state in which there are available benefit credits.

For the purposes of this regulation, benefit credits shall be deemed to be unavailable whenever benefits have been exhausted, terminated, or postponed for an indefinite period or for the entire period in which benefits would otherwise be payable, or whenever benefits are affected by the application of a seasonal restriction.

318.04 Claims for Benefits

- (A) Claims for benefits or waiting period shall be filed by interstate claimants on uniform interstate claim forms and in accordance with uniform procedures developed pursuant to the Interstate Benefit Payment Plan. Any adjustments required to fit the reporting period used by the liable state shall be made by the liable state on the basis of consecutive claims filed.
- (B) Claims shall be filed in accordance with agent state regulations for intrastate claims by established agency methods.
 - (1) With respect to claims for weeks of unemployment in which an individual was not working for his regular employer, the liable state shall, under circumstances which it considers good cause, accept a continued claim filed up to one (1) week, or one (1) reporting period, late. If a claimant files more than one (1) reporting period late, an initial claim must be used to begin a claim series and no continued claim for a past period shall be accepted.
 - (2) With respect to weeks of unemployment during which an individual is attached to his regular employer, the liable state shall accept any claim which is filed within the time limit applicable to such claims under the law of the agent state, provided the same is

not inconsistent with the provisions of the Mississippi Employment Security Law.

318.05 Determination of Claims

- (A) The agent state shall, in connection with each claim filed by an interstate claimant, ascertain and report to the liable state such facts relating to the claimant's availability for work and eligibility for benefits as are readily determined in and by the agent state.
- (B) The agent state's responsibility and authority in connection with the determination of interstate claims shall be limited to investigation and reporting of relevant facts. The agent state shall not refuse to take an interstate claim.

318.06 Appellate Procedure

- (A) The agent state shall afford all reasonable cooperation in the taking of evidence and the holding of hearings in connection with appealed interstate benefit claims.
- (B) With respect to the time limits imposed by the law of the liable state upon the filing of an appeal in connection with a disputed benefit claim, an appeal made by an interstate claimant shall be deemed to have been made and communicated to the liable state on the date when it is received by any qualified officer of the agent state.

the death of the claimant; provided, however, the Executive Director, may extend said period.

Any benefits erroneously paid to claimant pursuant to the provisions of Section 71-5-517 of the Law may be set up as an overpayment to the claimant; and must be liquidated before any future benefits can be paid to the claimant. Further, the Agency shall be entitled to reimbursement or repayment of overpayments when benefits were paid to a claimant erroneously for any reason, including but not limited to a re-determination or reversal due to an appeal. However, the Agency shall have the discretion not to setup an overpayment when the Agency deems the overpayment amount to be too small to offset, recoup, or otherwise justify the administrative costs of doing so. The Agency may also have the discretion to write-off an overpayment when the claimant proves total disability according to the Agency's rules and regulations or the Social Security Administration, and in the event of proof of death.

401.00 Reporting Earnings While Filing for Benefits

For purposes of determining entitlement to benefits, an individual must report wages as defined by the Law payable to him or her in any week, regardless of whether compensation has been received.

402.00 Criteria for Determining Overpayments (Fraud and Non- Fraud)

An overpayment of benefits occurs when a person receives benefits under this chapter while any conditions for the receipt of benefits imposed by this chapter were not fulfilled in his/her case, while the claimant was disqualified from receiving benefits, or when the claimant receives benefits and is later found to be disqualified or ineligible due to any reason. Reasons for disqualification and ineligibility may include but are not limited to a re-determination or reversal by the Agency or the courts of a previous decision to award the claimant benefits or failure by the claimant to properly report his/her earnings during the week earned when filing a weekly certification.

For purposes of determining unreported earnings, the Agency will consider the claim week to be Sunday through Saturday. The Agency will not consider holiday pay, vacation pay, severance pay, bonus pay, jury duty, reserve components (week-end drill), unit training assembly (summer camp), loans, cash advances and retroactive wages in the computation of unreported earnings overpayments.

Any person determined to have received an overpayment of benefits for any reason may be liable to the Agency for the repayment of those benefits. The Agency shall also determine whether the overpayment was received by the

claimant through fraud committed by the claimant and assess appropriate penalties under such circumstances.

For the purpose of determining fraud, the Agency will consider that (1) a person received benefits, (2) at a time when he/she was ineligible, (3) by reason of a nondisclosure or misrepresentation of a material fact, (4) made by that person or another, and/or (5) had the willful intent to commit fraud or had knowledge of the omitted or misrepresented fact. Fraud may be implied or presumed from the circumstances, such as but not be limited to, failure to report earnings on weekly claims forms, or falsification of any documents. This inference may be overcome by the introduction of contrary evidence. Fraud shall include, but not be limited to the claimant's actual falsification of any documents which will include but not be limited to certification or proof of earnings and doctor's statements.

If the claimant does not report his earnings correctly, but does report at least fifty percent (50%) of his earnings for a particular week, the week would be considered non-fraudulent with a non-fraud overpayment established.

403.00

Collection of Overpayments

Pursuant to the authority granted to the Agency by Section 71-5-19(4) of the Law, the Agency shall have the authority or discretion to pursue repayment and collection of overpayments that occurred due to any reason, including overpayments that result from a re-determination by the Agency, or that occur as the result of an appeal within the Agency or to the courts, and irrespective of whether said overpayment resulted from fraud, non-disclosure, or misrepresentation by the claimant. The Agency shall have the authority to pursue collection of all overpayments, including overpayments that result from a re-determination or reversal from an appeal, by the methods or manner as provided in Sections 71-5-363 through 71-5-383 of the Law, for the collection of past-due contributions, also authorized by Section 71-5-19 of the Law. Methods of collection shall include, but not be limited to, cash repayment, offset of future benefits, filing liens, warrants, or suit, garnishment, and interception of state income tax refunds.

Any such judgment, lien or warrant against a person for collection of an overpayment shall be in the form of a seven (7) year renewable lien. Unless action is brought thereon prior to expiration of the lien, the Agency must refile the notice of the lien prior to its expiration at the end of seven (7) years. There shall be no limit upon the number of times the Agency may refile notices of liens for collection of overpayments. The Agency will participate in the Interstate Reciprocal Overpayment Recovery Arrangement, which will include withholding benefits in order to assist other states in collecting overpayments.

Overpayments must be liquidated in accordance with specific program restrictions before future benefits can be paid to the individual.

404.00 Disqualification Period Assessed For Fraud

The Agency has the authority to assess disqualifications for a period up to 52 weeks, according to the circumstances of each case. Under this authority the Agency shall impose the following penalties under the stated conditions:

1. For the first fraudulent overpayment received by a claimant a six week disqualification is established for each week up to a total of four such weeks. For five or more fraudulent weeks a fifty-two (52) week disqualification is assessed.
2. For the second or greater fraudulent overpayment received by a claimant within three years of the establishment date of a previous fraudulent overpayment, a twelve week disqualification is established for each week up to a total of four such weeks. For five or more fraudulent weeks a fifty-two (52) week disqualification is assessed.

The disqualification period shall start no later than the week during which the initial determination of such fraudulent overpayment is made.

405.00 Interest Accrual

Interest accrues at the rate of one per centum (1%) per month on the unpaid principal balance beginning with the month following the month in which the overpayment is established.

CHAPTER 600 - CONTRIBUTIONS

600.00 First Contribution Payment

The first contribution payment of an employer who is newly liable for contribution in any year will become due and be payable on or before the last day of the month immediately following the calendar quarter the individual or employing unit became a liable employer.

600.01 Payment of Contribution

- (A) Each quarterly contribution payment shall be based upon wages paid for employment in all pay periods (weekly, biweekly, monthly, semimonthly) ending within the quarter.
- (B) The first contribution payment of an employer who becomes newly liable for contributions in any year because of employment performed for such employer within such a year shall include contributions with respect to all wages paid for employment from the first day of the calendar year. Such wages shall be reported in the calendar quarter in which the wages were paid and contributions shall be paid for the quarter in which the wages were paid.
- (C) The first contribution payment of an employer who becomes newly liable for contributions by any of the three following methods is due for the quarter in which the wages were paid. Employers establish liability by:
 - (1) Acquiring the business of an employer;
 - (2) Employer and/or employer's predecessor(s) who employed one or more workers, acquiring the business of an employing unit whose employment record together with his or her own employment record totals one or more employees on one or more days in each of twenty (20) weeks of the current or last calendar year, regardless of whether the workers were the same person or different in each of the different weeks; and/or
 - (3) Affiliation with one or more other employing units whose employment record together with his or her employment record totals one or more employees on one or more days in each of twenty (20) weeks of the current or last calendar year.
- (D) Contributions shall be due for all wages paid that are subject to this chapter in the calendar year if contributions are due on any part of the wages paid in the calendar year.
- (E) With respect to employment, the measure of the contribution is the total amount of wages paid by an employer during each calendar quarter.

601.00 Wages Defined

(A) Definition

“Wages” means all remuneration for personal services, including commissions and bonuses, and the value of all remuneration in any medium other than cash. The name by which such remuneration is designated is immaterial. Thus, salaries, commissions on sales or on insurance premiums, fees, and bonuses are wages within the meaning of the Law if they are, in fact, remuneration or compensation for services not excluded by the Law. The basis upon which the remuneration is payable or paid, the amount of remuneration, and the time of payment are immaterial in determining whether the remuneration constitutes “wages”. Thus it may be paid or payable on the basis of piecework or a percentage of profits; and it may be paid or payable hourly, daily, weekly, monthly, or annually. Facilities or privileges (such as entertainment, cafeterias, restaurants, medical services, so-called “courtesy” discounts on purchases), furnished or offered by an employer to his employees, generally are not considered as remuneration for services if such facilities or privileges are offered or furnished by the employer merely as a convenience to the employee or as a means of promoting the health, good will, contentment, or efficiency of his employees.

(B) Definition of Wages for Tax Purposes

Wages paid in any calendar quarter shall include wages actually or constructively paid for all pay periods ending within the quarter and wages paid during the quarter for services performed in prior quarters or prior years. Wages constructively paid means payments credited to the account of, or set apart for, the wage earner so that they may be drawn upon by him or her at any time although not then actually reduced to possession.

601.01 Exclusions

Certain exclusions apply as directed by Section 71-5-11 of the Law, however, the plan or system established by an employer need not provide for payments on

account of all of the specified items, but such plan or system may provide for any one or more of such items.

It is immaterial for purposes of this exclusion whether the amount or possibility of such benefit payments is taken into consideration in fixing the amount of an employee's remuneration or whether such payments are required, expressly or implied, by the contract of service.

601.02

Items Included

The total wages paid by an employer to his or her employees with respect to employment during any calendar year, or any pay period thereof, shall include items actually or constructively paid during that calendar year, or any part thereof.

(A) Items actually paid shall include:

- (1) Cash; and
- (2) The fair market value, at the time of payment, of all items other than money. Wages are constructively paid when they are credited to the account of or set apart for an employee so that they may be drawn upon by him or her at any time although not then actually reduced to possession.

(B) Items actually or constructively paid shall include:

- (1) Cash; and
- (2) The fair value, at the time of actual or constructive payment, of all items other than money.
- (3) Vacation allowances - Payment to an employee's so-called vacation allowances constitute wages.
- (4) Traveling and other expenses - Amounts paid to traveling salespersons or other employees as allowances or reimbursements for traveling or other expenses incurred in the business of the employer constitute wages only to the extent of the excess of such amounts over such expenses actually incurred and accounted for by the employee.
- (5) Premium on life insurance - Generally, premiums paid by an employer on a policy of life insurance covering the life of an employee constitute wages if the employer is not a beneficiary under the policy. However, premiums paid by an employer on policies of group life insurance covering the lives of his or her employees are not wages, if the employee has no option to take the amount of premiums instead of accepting the insurance and has no equity in the policy (such as the right of assignment or the right to surrender value on termination of his employment).
- (6) Deductions - Amounts deducted from the remuneration of an employee by an employer constitute wages paid to the employee at the time of such deduction. It is immaterial that the Law, or any

Act of Congress or the law of any state, requires or permits such deduction and the payment of the amount thereof to the United States, a state, or any political subdivision thereof.

- (7) Payments by employers into stock bonus or profit-sharing funds - Payments made by an employer into a stock bonus or profit-sharing fund constitute wages if such payments inure to the exclusive benefit of the employee and may be withdrawn by the employee at any time or upon resignation or dismissal, or if the contract of employment requires such payment as part of the compensation. Whether or not under other circumstances such payments constitute wages depends upon the particular facts of each case.
 - (8) Hiring of individual with his or her equipment - Only remuneration employment is the basis of contributions. Equipment is only rented and its rental value should not be included in the basis for contributions, provided it is accounted for separately. Contributions should be based on the remuneration for services only. In the case of hiring an individual and his or her equipment, such as a truck driver who owns his or her truck, the employer may differentiate between the fair value of the wages and the rental value of the equipment and pay contributions only on the wages.
 - (9) Pensioned employees-Retirement Pay - Contributions are based only on wages of employees arising out of the performance of service. Employees who have been pensioned or retired by an employer and who perform no service for such former employer are pensioned or retired employees and the remuneration or compensations received by them as pension or retirement pay is not considered wages and should not be included in the payroll upon which contributions are based. However, if a pensioned or retired employee receives any compensation or remuneration distinct from such pensions or retirement pay for any employment, whether occasional, temporary or permanent, such pensioned or retired employee is covered by the Law and his or her earnings must be included in the payroll upon which contributions are based.
- C. For all political subdivisions that elect to make contributions under the provisions of either Section 71-5-559 (2)(j), or Section 71-5-357 (b)(iv), the Law provides that the rates specified in those sections, i.e., two percent (2%) and five tenths percent (.5%) respectively, shall be applied to the first seven thousand dollars (\$7,000) of remuneration paid to each employee in the calendar year, from and after January 1, 1983.

601.03 Private Unemployment Benefit Plans

Employees covered by private unemployment benefit plans are not thereby excluded from the requirement to be reported and their wages taxed as all other employees described in the Law.

601.04 Reduction of Commissions, Sales Cancelled in Later Years

Commission on sales made in one calendar year constitutes wages with respect to employment during the calendar year. When a sale made in one calendar year is cancelled in a subsequent calendar year and the commission is deducted from the earnings of the salesperson during the calendar year in which the sale is cancelled, such a reduction in commission is a reduction of the wages of the salesperson for the calendar year in which the services were performed and not for the year in which the sale is cancelled.

601.05 Bonuses in the Form of Securities

Bonuses in the form of securities are wages and contributions are payable on the fair market value of such securities at the time of transfer.

601.06 Sales Contest Prize Awards

The cash or fair market value of prizes awarded to salespersons as winners of contests conducted by their employer for the purpose of stimulating the sales of certain products constitute wages upon which contributions are required, and shall be included in the total amount of wages paid, as additional compensation or remuneration, in computing contribution liability.

601.07 Gifts

Gifts from employers to employees, such as Christmas gifts, directly or indirectly based upon or related to services rendered, constitute wages upon which contributions are payable.

601.08 Gift to Spouse of Deceased Employee

An amount paid to the widow or widower of a deceased employee in excess of the compensation earned by the decedent in the course of his or her employment and for which the widow or widower renders no services does not constitute wages.

601.09 Spouse Employed by Corporation Wholly or Principally Owned by Other Spouse

Services performed by the spouse of the sole or principal stockholder of a corporation are not exempt since the corporation and its stockholders are entirely separate and distinct legal entities.

601.10 Spouse Employed by Partnership in Which the Other Spouse Is Partner

Although the Law excludes from its operation services performed by a spouse in the employ of the other spouse, the exclusion does not apply to the services performed by a spouse of a member of a partnership in the employ of such partnership, since the partnership is a legal entity separate and distinct from the individuals who comprise it.

- 601.11 Trustees in Bankruptcy-Compensation Paid To**
Compensation paid to trustees in bankruptcy is not subject to the contribution liability imposed under the Law.
- 601.12 Payments Made to Labor Union Representatives for Lost Wages**
Payments made to labor union representatives for lost wages will not be considered wages for unemployment insurance purposes provided the individual is not otherwise employed by the labor union.
- 601.13 “Idle Time” Payments under Minimum Number of Hours Guarantee**
Payments made to an employee for “idle time” by a company which guarantees to its employees a minimum number of hours of employment per week and makes payments to them for “idle time” when they do not render services for the minimum number of hours, constitutes wages with respect to employment and the total of such remuneration should be included in the computation of wages for the purpose of determining the amount of contributions.
- 601.14 Tips**
Tips accounted for by an employee to his or her employer are wages on which contributions are payable.
- 601.15 Remuneration Covering Salary and Expenses**
Where an employee, such as a salesperson, is paid an amount to cover salary and expenses incurred in the employer’s business, the amount constituting wages subject to contribution liability is the total amount paid minus the expenses actually incurred by the salesperson in the employer’s business and is accounted for as such by him or her. It is, therefore, necessary for the salesperson to maintain such records as will enable accountability to the employer for the amount of expenses actually incurred, and the employer must keep such records as will show the portions of the total amount paid to the salesperson which represent, respectively, expenses and remuneration for services.
- 601.16 Training Courses**
Expenses for employees’ training courses, paid by the employer, do not constitute wages on which contributions are payable.
- 601.17 Use of Employer’s Car by Employee**
Where an employee keeps a car belonging to his or her employer and at times uses same for his or her own personal use, such use of the car does not constitute wages or remuneration.
- 601.18 Payments to Employees Absent on Account of Sickness**
Where an employee is absent on account of sickness and he or she is kept on the payroll and wages are paid to him or her, such wages must be reported and contributions paid thereon.

601.19 Cash Value of Certain Remunerations

If board, lodging, or any other payment in kind, considered as payment for services performed by an employee, is in addition to (rather than a deduction from) monetary wages, or wholly comprises an employee's wages, the Agency may determine the cash value of such board and lodging in individual cases for the purpose of computing contributions due under the Law. The cash value for such board and lodging furnished an employee as agreed upon shall be deemed the value of such board and lodging.

602.00 Employer

(A) Proprietors

A proprietor of a business is not considered an employee even though a salary may be paid for services performed.

(B) Partners

Partners are not considered employees of the partnership, and the income of partners from the business whether recorded as salary or drawings, is considered a distribution of profits, and not wages.

(C) Officers of Corporations

Corporate officers, who perform services for wages or under any contract of hire, written or oral, expressed or implied, are employees.

(D) Directors of Corporations

A director of a corporation, who performs no service for the corporation except as director in the usual and ordinary sense of the term, is not an employee and the compensation paid as a director is not subject to contributions. A director, who performs services for the corporation other than as a director, is an employee, and the compensation paid him therefore is subject to contributions.

602.01 Demonstrators

A demonstrator, who is placed by a manufacturer in department and specialty stores to aid in the sale of the specialized products of such a manufacturer, and who is engaged by the manufacturer, who are paid directly or indirectly by the manufacturer, and who work under the direction which may be delegated to the retailer, is an employee of the manufacturer. If the retailer, not acting as an agent for the manufacturer, engaged a demonstrator and the demonstrator works under the direction of the retailer and receives the salary directly from the retailer, the retailer is the employer. If the wages are paid in part by the manufacturer and in part by the retailer, the demonstrator is an employee of both manufacturer and retailer and each is required to pay contributions on that part of the salary that he pays.

602.02 Employers Disposing of Business Assets Thereof, Ceasing Business, Etc.

Every employer who shall sell, convey, or otherwise dispose of his or her business or any part of the assets of the business, or who shall cease business for any reason, whether voluntary by being in bankruptcy, or otherwise, shall no less than thirty (30) days prior to such sale or conveyance of business, report such fact in writing to the Agency, stating the name, address and telephone number of the person, firm or corporation, or other entity to whom such business or all of any part of the assets thereof shall have been conveyed. In cases of bankruptcy, receivership, or similar situations, such employer shall report the name address and telephone number of the trustee, receiver, or other official placed in charge of the business.

602.03 For Profit Corporation Owned by Non-Profit Charitable Organization

Services performed in the employ of a corporation operated as a business enterprise but wholly owned by a non-profit charitable organization are not exempt under the Law. Such organizations are separate legal entities and must be considered separately.

602.04 Payroll Records of Predecessor “Employer” Modified Rate of Contribution for Successor

In determining “modified” rates of contributions, under Section 71-5-355 of the Law, for an employer who succeeds, or has succeeded, or acquires, or has acquired the organization, trade, separate establishment (provided separate payroll records have been kept and maintained for such separate establishment by the predecessor and are clearly identifiable and segregable), or business, or substantially all the assets thereof, or another, the payroll records of the predecessor may be used only if such predecessor was an “employer” as defined and subject to the Law at the time of such acquisition. The term “separate establishment,” as used herein, means a distinct and separate portion of the business.

602.05 Successors to Reimbursable Employer Who Become Tax Paying (contributory) Employers by Requirements of the Law

When a successor employer becomes a contributory employer (pursuant to requirements defined by the Law) by acquiring the business of a reimbursing employer, then such successor shall be considered a newly subject employer, within the meaning of Section 71-5-353 of the Law.

602.06 Reimbursable Employers Who Elect to Become Tax Paying (Contributory)

When an employer elects to change from reimbursing status to contributory status, the employer shall be considered a newly subject employer, within the meaning of Section 71-5-353 of the Law.

602.07 Predecessor Employers Who Resume Employment

In any case in which the account of an employer is terminated (inactivated) by the Agency because the employer sold the business and the experience was transferred to the successor, and the predecessor resumes employment, he or she

shall be considered a newly subject employer, within the meaning of Section 71-3-353 of the Law.

602.08 Status by Voluntary Election

An employing unit not otherwise subject to the Law that elects voluntarily to become subject thereto must furnish the Agency detailed data sufficient in the opinion of the Agency to warrant approval of such election.

Source: *Miss. Code Ann.* §§ 71-5-115 & 71-5-117 (Rev. 2004).

603.00 Employment

(A) Independent Contractors

The Law provides that the relationship of employer and employee shall be determined in accordance with the principles of the common law governing the relation of master and servant. Generally, the relationship exists when the person for whom services are performed has the right to control and direct the individual who performs the services, not only as to the result to be accomplished by the work but also as to the details and means by which the result is accomplished. That is, an employee is subject to the will and control of the employer not only as to what shall be done, but how it shall be done. In this connection, it is not necessary that the employer actually direct or control the manner in which the services are performed; it is sufficient if he or she has the right to do so. The right to discharge is also an important factor indicating that the person possessing that right is an employer. Other factors characteristic of an employer are the furnishing of tools and the furnishing of a place to work to the individual who performs the service. In general, if an individual is subject to the control or direction of another merely as to the result to be accomplished by the work and not as to the means and methods for accomplishing the result, he or she is an independent contractor, not an employee.

If the relationship of employer and employees exists, the designation or description of the relationship by the parties as anything other than that of employer and employee is immaterial. Thus, if two (2) individuals in fact stand in relation of employer and employee to each other, it is of no consequence that the employee is designated as a partner, co-adventurer, agent, or independent contractor.

The measurement, method, or designation of compensation is also immaterial, if the relationship of employer and employee in fact exists.

Generally, physicians, lawyers, dentists, veterinarians, contractors, sub-contractors, public stenographers, auctioneers, and others who follow an independent trade, business, or profession, in which they offer their services to the public, are independent contractors and not employees.

Whether or not persons performing services, directly or indirectly, for an employing unit are employees depends upon the particular facts in each case. No single test is conclusive and every employing unit claiming the existence of a relationship other than that of employer-employee shall make application to the

Agency for determination of its status. They shall furnish to the Agency a full and complete statement of all facts concerning its relationship with the person claimed to be an independent contractor, together with a copy of the contract existing between them. All persons performing services for any employing unit shall be deemed employees unless and until this rule shall have been complied with and their status shall have been otherwise determined by the Agency after a decision has been made by the Agency relative to the employer-employee relationship, and the business has been notified by mail or electronically. The business has the right within ten (10) days from the transmittal date of this decision to protest the decision and request a hearing before the Agency, as provided in Section 71-5-355(2)(b)(ix) of the Law.

(B) Employed Individuals

The words “employ”, “employer”, and “employee”, as used herein, are to be taken in their ordinary meaning. An employer, however, may be an individual, a corporation, partnership, a limited liability company, trust, estate, association, joint-stock company, insurance company, or corporation, or other recognized business organization, whether domestic or foreign, syndicate group, or entity. An employer may be a person acting in a fiduciary capacity or on behalf of another, such as a guardian, committee, trustee, executor or administrator, trustees in bankruptcy, receiver, assignee, for the benefit of creditors, or conservator.

An individual is in the employment or employ of another within the meaning of the Law if he performs a service, including service in interstate commerce, for such other, for wages or under any contract of hire, written or oral, expressed, or implied. The relationship between the individual who performs such service and the person for whom such service is rendered must be the legal relationship of employer and employee. The Law makes no distinction between classes or grades of employees. Thus, superintendents, managers, and other superior employees are employees within the meaning of the Law.

Whether the relationship of employer and employee exists, will in questionable cases be determined upon examination of the particular facts of each case.

603.01 Service in Usual Trade or Business

An employing unit which contracts with or has under it any contractor or sub-contractor for any employment which it claims is not part of its usual trade, occupation, profession, or business shall submit to the Agency a complete, detailed written statement of facts in support of such claim. No such claim shall be recognized until and unless the Agency is satisfied of its validity and correctness.

603.02 Services Excluded from the Definition of Employment (Generally)

- (A) To constitute “employment” within the meaning of the Law the services performed by the employee must be performed, in whole or in part, primarily or incidentally, within the State of Mississippi; or if performed elsewhere, must be incidental to service in the United States for a Mississippi based employer. To the extent that an employee performs

services wholly or outside of the State of Mississippi for the person who employs him or her, he or she is not in “employment” within the meaning of the Law unless such services are incidental to service in this state, or unless such services are performed outside the United States for a Mississippi based employer.

Furthermore, the employee’s remuneration for services that he or she performs wholly outside the State of Mississippi, and that are in no way incidental to services in this state, is excluded from the computation of wages upon which his or her employer’s contribution is based, except that wages paid by a Mississippi based employer for services performed outside the United States must be included in the computation of wages upon which the employer’s computation is based. However, if any services are performed by the employee within the State of Mississippi, such services, unless specifically excluded by the Law, constitute “employment.”

In such cases the employee is counted for the purpose for determining whether the person who employs him or her is an “employer,” within the meaning of the Law and his wages on account of such employment are included in the computation of wages for the purpose of determining the amount of the employer’s contribution. The place where the contract for services is entered into and the citizenship or residence of the employee or of the person who employs him or her is immaterial.

Thus, the employee and the person who employs him or her may be citizens and residents of a foreign country or a foreign state and the contract for the services may be entered into in a foreign country or foreign state, and yet, if the employee under such contract actually performs services within the State of Mississippi, there is an “employment” within the meaning of the Law, and the person who has employed such individual may be an “employer” within the meaning of the Law.

- (B) Even though the services of the employee are performed within the State of Mississippi, if they are in a class which is excluded by the Law, they are excluded for the following purposes:
- (1) In determining whether a person employs a sufficient number of individuals to be an employer subject to contribution; or
 - (2) In computing the employer’s total wages with respect to employment during the calendar year.

The exclusion is attached to the services performed by the employee and not to the employee as an individual; and the exclusion applies only for the period during which the individual is rendering services in an excluded class.

603.03 Officers and Members of Crews

The expression “navigable waters within, or within and without the United States” means such waters are navigable in fact and which by themselves or in connection with other waters form a continuous channel for commerce with foreign countries or among the states.

The word “vessel: includes every description of watercraft or other contrivance, used as a means of transportation on water. It does not include any type of aircraft.

The expression “officers and members of the crew” includes the master or officer in charge of the vessel, however designated, and every individual subject to his or her authority serving on board and contributing in any way to the operation and welfare of the vessel. The expression extends, for example, to services rendered by the master, mates, pilots, pursers, surgeons, stewards, engineers, firemen, cooks, clerks, carpenters, deck hands, porters, and chambermaids and by seal hunters and fishermen on sealing and fishing vessels.

603.04 Family Services

Under Section 71-5-11 J (15) (d) of the Law, certain services are excluded because of the existence of family relationship between the employee and the person for whom he or she performs the services. The exclusions are as follows:

Determining the Number of Employees

One or more individuals must be employed on any days within the weeks used to calculate the number of employees. The days used to calculate the number of employees does not need to be consecutive. It is not necessary that the individuals so employed be the same individuals; they may be different individuals on each such calendar day. It is also not necessary that the one or more individuals be employed at the same moment of time or for any particular length of time or on any particular basis of compensation. It is sufficient that one or more individuals be employed during the twenty-four (24) hours of a calendar day, regardless of the period of service during that day or the basis of compensation.

In determining whether a person employs a sufficient number of individuals to be an employer subject to the contribution, no individual is counted unless he is engaged in the performance, in whole or in part, primarily, or incidentally, within the State of Mississippi, of services not excluded by Section 71-5-11 (J) of the Law; or is engaged in the performance elsewhere of services which are incidental to such services in this state, and which are not excluded by Section 71-5-11 (J).
